

Activity 2: Old and New Homes

KS1

Find the area of the museum showing the 1950s home. Can you find all the **old** objects pictured below?

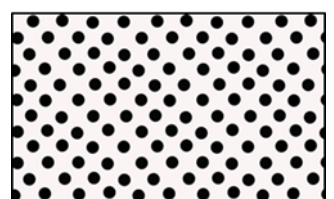

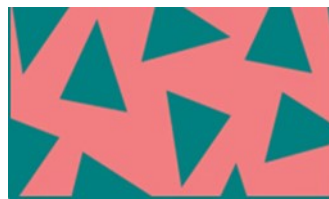

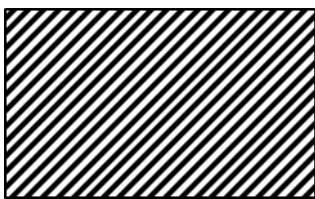

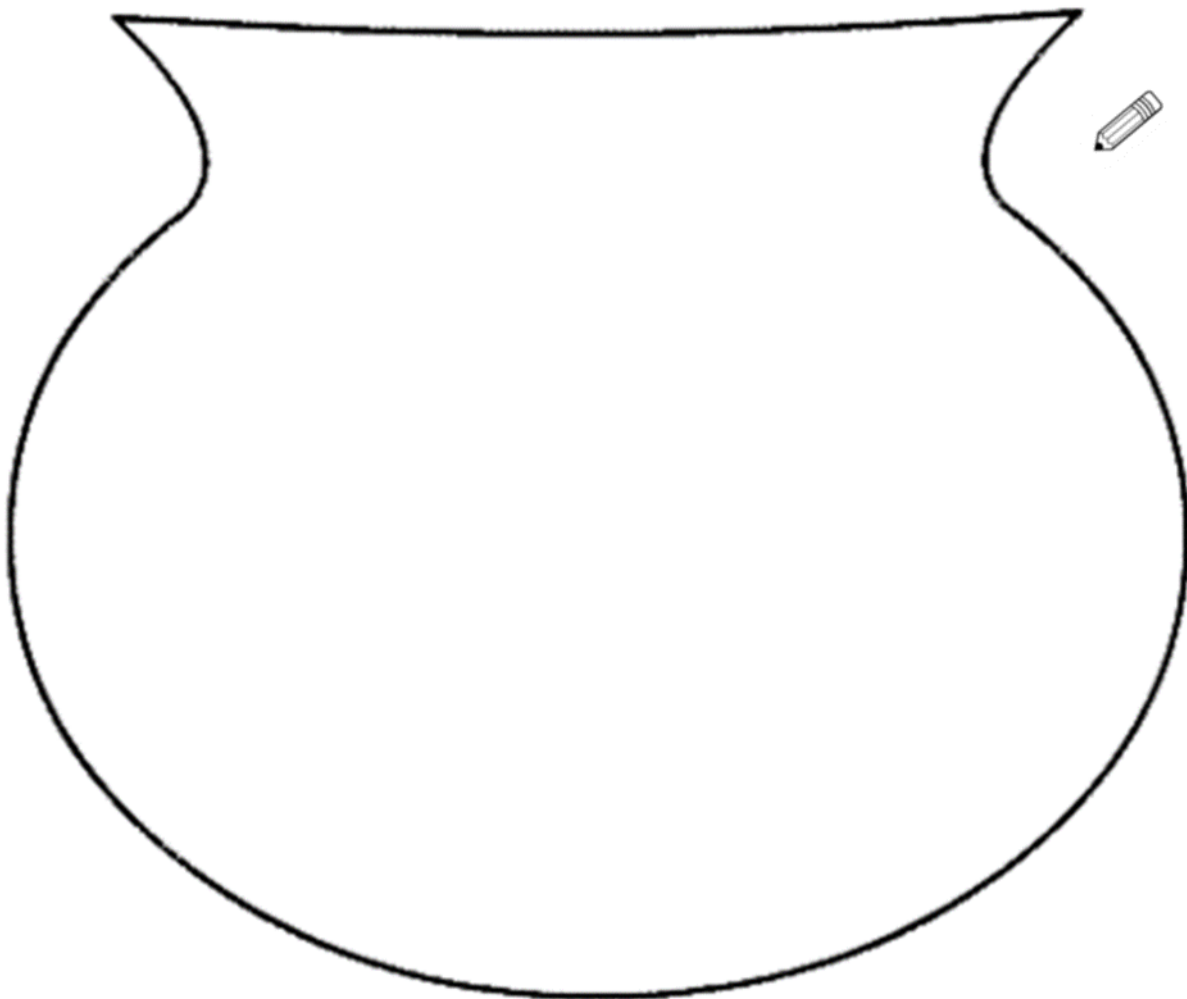

Draw a line between the old and new objects which do the same job.

Activity 5: Decorate a Pot

KS1

If you look closely at the pottery you can see some patterns which have been drawn on it. What patterns could you make if you were making your own pot?

Activity 6: Whose Bone?

KS1

- Draw the animal this bone belonged to.
- Draw the sort of place the animal would have lived in.
- Draw what the weather would have been like when this animal was alive.
(Hint: it was alive in the Ice Age)
